ISNAR-C2FS 2011

International Seminar on Natural Resources, Climate Change and Food Security in Developing Countries

Proceeding

TABLE OF CONTENTS

Foreword	<i>i – iv</i>
Keynote Speech The Ministry of Agriculture Republic of Indonesia	<i>v – xi</i>
Table of Contents	<i>xii - xviii</i>
Plenary Speakers	
1. Food Insecurity and Climate Change: The Roles of Private Sector in Overcoming The Changes Bustanul Arifin	<i>1 – 13</i>
2. Genetic Diversity, Climate Uncertainty and Food Security Hugo A. Volkaert	<i>14 – 23</i>
3. Exploring The Roles of Virtual Classrooms in Biodiversity Conservation Discourses: an Experiential Learning Perspective Ricardo T. Bagarinao	<i>24 – 33</i>
Sub Theme : <u>Bioproduct and Post Harvest</u>	
Oral Presentation	
4. Selection of Plant Endophytic Bacteria from Kepok Kuning (ABB) Cultivar For Biological Control of Fusarium Wilt and Blood Disease of Banana Arif Wibowo, Siti Subandiyah, Tri Joko, Nur Hayati Hadiba, Ika Mariska, Yati Supriyati, and Ika Roostika	<i>34 – 42</i>
5. Use of Different Food Additives to Enhance the Flavor of Dried Tilapia Oreochromis spp for Export Market : an Improved Recipe Benjie Oncienes, Venerando D. Cunado and Corazon P. Macachor	<i>43 – 51</i>
6. Clean Technology of Cocos Nucifera Meat Cecilio S. Baga, Corazon P. Macachor and Bonifacio S. Villanueva	<i>52 – 57</i>
7. Different Feed Combinations for Mudcrab (Scylla Serrata) Fattening in Cages Danilo P. Alura	<i>58 – 68</i>
8. Characterization of Cacao Waste as Source of Bioethanol Using <i>Saccharomyces Cereviseae</i> and <i>Zymomonas Mobilis</i> During Fermentation Indira Prabasari, Agung Astuti, Lia Fitriana, and Tony K. Hariadi	<i>69 – 76</i>
9. Oviposition and Feeding Preferences of <i>Rhyzopertha Dominica</i> (F) (Coleoptera: Bostrichidae) on Six Rice Varieties in Postharvest Storage Ludji Pantja Astuti	<i>77 – 81</i>
10. Preliminary Screening of Microbial Antagonists Isolated from Rice Rhizosphere Against <i>Rhizoctonia Solani</i> Kuhn, the Causal Agent of Sheath Blight Disease on Rice Luqman Qurata Aini, Ratih Kurniawati, and Abdul Cholil	<i>82 – 90</i>
11. Moringa oleifera Fortified-Seaweed Sandwich Spread Nelita C. Alura	<i>91 – 103</i>
12. Effectiveness of Organic Liquid Fertilizer "Compost Tea" and Inorganic Fertilizer KCL on Production Increase in Maize (<i>Zea mays</i> L.) Nora Augustien, Ramdan Hidayat, and Wanti Mindari	<i>104 – 117</i>
13. Performance Test Cassava Peeler TEP-10 TYPE Sandi Asmara	<i>118 – 124</i>
14. Application Test of Manalagi Mango Fruit Grader in East Java Sri Harwanti and Thohir Zubaidi	<i>125 – 132</i>

- | | | |
|-----|--|-----------|
| 15. | The Steeping of <i>Guazuma Ulmifolia</i> Lamk. as a Body Weight Reducer in Obese Persons
Sri Kentjaningsih and Dian | 133 – 153 |
| 16. | Fungus of <i>Beauveria bassiana</i> used to Control Big Chili Pest <i>Thrips parvispinus</i> to Reduce Application of Synthetic Insecticide
Suharto, Wagiyana and Slamet Haryanto | 154 – 160 |
| 17. | Improving Postharvest Cutting Quality of <i>Pelargonium</i> by Using 1-Methylcyclopropene
Syariful Mubarok | 161 – 169 |
| 18. | Use <i>Streptomyces</i> spp. as Biological Agents of <i>Sclerotium Rolfsii</i> Cause Damping-off Disease on Soybean Crop
Tri Mujoko, Endang TP, and Erika Sulistyarningsih | 170 – 178 |
| 19. | Sorbitol and Potassium Fertilizer Improving Water Use Efficiency in Soybean Cultivation
W. Guntoro and Bambang Priyanto | 179 – 189 |
| 20. | Extent of Mineralization Organic Fertilizer on Salt Affected Soil and that Implementation on Tomato
Wanti Mindari, Purnomo Edi Sasongko, and Maroeto | 190 – 200 |
| 21. | Effect of Formulation with <i>Pseudomonad Fluorescens</i> Isolate PF-122 for Progress of Tobacco Bacterial Wilt Disease
Yenny Wuryandari, Arika Purnawati and Siswanto | 201 – 209 |
| 22. | Penetration, Growth and Development of <i>Endotokia Matricida</i> of <i>Steinernema</i> Sp., Isolate Skpr-20/Str, in <i>Tenebrio Molitor</i> and <i>Corcyra Cephalonica</i>
Yuliantoro Baliadi, Ika Rochdjatun Sastrahidayat, Syamsuddin Djauhari and Bambang Tri Rahardjo | 210 – 220 |

Sub Theme : Bioproduct and Post Harvest
Poster Presentation

- | | | |
|-----|--|-----------|
| 23. | Activation Energy and Corned Beef Canned Shelf Life Calculation
Aniswatul Khamidah, SS. Yuwono and Ella Saparianti | 221 – 236 |
| 24. | Organoleptic Test on Seven Formula Goat Milk Ice Cream
Aniswatul Khamidah and SS. Antarlina | 237 – 250 |
| 25. | <i>Effectiveness of the Drying Process Meal Preparation of Aloe Vera (Aloevera)</i>
Latifah and Angga Apriliawan | 251 – 264 |
| 26. | Improvement of Ethanol Production Using Polyploid <i>Saccharomyces Cerevisiae</i>
Muhammad Thamrin Hidayat and Isnawati | 265 – 277 |
| 27. | Expired Date Test of Wettable Powder Product of <i>Hirsutella citriformis</i> Entomopatogen to Control <i>Diaphorina citri</i> Kuw. on Citrus
Mutia Erti Dwiastuti, Sri Widyaningsih and Yunimar | 278 – 284 |
| 28. | Utilization of Kelor (<i>Moringa Oliefera</i>) Seed Powder as Adsorbtions Heavy Metals <i>Pb</i>
Sinta Dewi Puspitasari, Evie Ratnasari, Herlina Fitrihidajati | 285 – 291 |
| 29. | The Effect of Gelatin Flour Addition to Making Milk Candy
S.S. Antarlina and S. Harwanti | 292 – 299 |
| 30. | Research on Preparation of 'Dodol' Durian to Increase Added Value of Durian Fruit and Cow Milk
Yuniarti, Aniswatul Khamidah and Ita Yustina | 300 – 308 |

Sub Theme : Agroforestry and Environmental Management
Oral Presentation

- | | | |
|-----|---|-----------|
| 31. | Carbon Pools and Spacial Variation of Carbon Sequestering Capability of Taba Penanjung Protection Forest, Bengkulu
Agus Susatya | 309 – 317 |
| 32. | Environmental Benefits and Costs of Conserving Layawan Watershed for Sustainable Domestic Water Supply in Oroquieta City, Philippines
Aisa O. Manlosa, Nicomedes D. Briones, Antonio J. Alcantara, Leonardo M. Florece, and Harold Glenn Valera | 318 – 330 |
| 33. | Monthly Water Balance Analysis for The Determination of Available Growing Season at North Samarinda District, East Kalimantan
Akas Pinaringan Sujalu and Akas Yekti Pulih Asih | 331 – 339 |
| 34. | Polluters and Water Quality of Cebu City River
Bonifacio S. Villanueva, Cecilio S. Baga and Corazon P. Macachor | 340 – 351 |
| 35. | Influence of Enzyme Treatment on The Quality of Cebu Technological University Deepwell Water
Cecilio S. Baga | 352 – 357 |
| 36. | Parasitoids And Their Effect On Teak Defoliator (Hyblaea Puera Crammer) In Teak Forest KPH Ngawi, East Java, Indonesia
Enggar Apriyanto, Edhi Martono, Sumardi, and Musyafa | 358 – 364 |
| 37. | Micro Watershed Model Development as Effort to Sustaining Water and Environment in Situbondo District
Evita Soliha Hani and Djoko Sudibya | 365 – 377 |
| 38. | Rice Waste Utilization and its Effects on Soil Properties in Selected Farms in Pangasinan, Philippines
Irene A. De Vera | 378 – 388 |
| 39. | Potent of Indonesian's Agricultural as Green House Gases Sources
K. A. Wijaya | 389 – 397 |
| 40. | The Impact of Motor Vehicle Density on Noise Level of Surabaya Main Roads
Naniek Ratni JAR and Erni Anita | 398 – 406 |
| 41. | Long-term Impact of Conventional Soil Management to Earthworm Diversity and Density on Sugarcane Plantation in East Java
Nurhidayati, E.Arisoesilaningsih, D.Suprayogo, and K.Hairiah | 407 – 419 |
| 42. | Drought Early Warning System And Preparation of Planting Pattern of Global Climate Changes in Connection With Mobile Technology-Based
Purnomo Edi Sasongko, I Gede Susrama MD, and M. Syahrul Munir | 420 – 427 |
| 43. | Prospects and Challenges in Harnessing Renewable Energy Source in the Philippines: the Case of Pico-hydro
Reynan P. Calderon, Gregorio J. Rodis, Adriano B. Singian, Julieta Laridad B. Reyes and Jose Paulo B. Tuazon | 428 – 435 |
| 44. | Proportion of Phenology of Arecaceae at Purwodadi Botanical Garden
Rony Irawanto | 436 – 445 |
| 45. | Nitrogen Cycling in Coffee Agroecosystems : N-Mineral and N-Leaching in the Presence of Different Litter Quality of Shade Trees
R. Priyadarshini, K.Hairiah, D. Suprayogo and J.B.Baon | 446 – 455 |
| 46. | Activity Change of Sulawesi Crested Black Macaques (Macaca Nigra) May Serve As An Early Indicator of Forest Degradation
Saroyo and Trina Tallei | 456 – 462 |
| 47. | Upland Rice Variety Assessment in Forest Areas Maintained Community together South Part in East Java
Sudarmadi Purnomo, Evy Latifah, Handoko and Sugiono | 463 – 473 |

Sub Theme : Social and Economic Issues
Oral Presentation

- | | | |
|-----|--|-----------|
| 48. | The Identification of The Structure and Behaviour Transaction of Tobacco Market on The Farmer Level
Abdul Hadi and Eko Nurhadi | 474 – 485 |
| 49. | The Development and Competitiveness of Tobacco in Global Market
A. Rachman Waliulu, Nur Sucipto | 486 – 497 |
| 50. | The Role of Social Capital in Agricultural Development: The means of Attaining and Securing Food Security
Cungki Kusdarjito | 498 – 510 |
| 51. | Role of Rural Agro-Industry Development Grant Program to Empowerment Cocoa Peasants in Technological Ability and Capital Access
Dwi Aulia Puspitaningrum | 511 – 518 |
| 52. | Valuation of Economic Policy Impact of Cropping Pattern toward Farm Income and Welfare at Keduang Upstream River Wonogiri Regency
Endang Siti Rahayu | 519 – 531 |
| 53. | Food Security in Sampang District :
Balance Production and Consumption of Food
Endang Yektiningsih and Zainal Abidin | 532 – 540 |
| 54. | Sugar Cane Farmers Relational Analysis of Commitment Plantation
Ignatia Martha Hendrati and Flora Pudji Lestari | 541 – 549 |
| 55. | Strengthening Market Institution Strategy of Organic Rice in Sragen District
Jangkung Handoyo Mulyo, Sugiyarto, Widodo, Irham, Sugeng Widodo | 550 – 566 |
| 56. | The Development of the Sustainable of Feed House in Home Garden Land to Sustain Food Security in Rural Household
Julian Witjaksono | 567 – 575 |
| 57. | Economic Aspect of Apple Farming in Batu City, East Java
Lizia Zamzami and Suhariyono | 576 – 583 |
| 58. | Analysis of Community Characteristics in Relationship to The Role of Participation, The Case of Protected Forest Mount Nona Ambon, Moluccas
Messalina L Salampessy | 584 – 594 |
| 59. | Participation Society in Sustainable Agriculture Development Based on Organic Agriculture
Mubarokah | 595 – 601 |
| 60. | The Roal of Coastal Communities Support Management mangrove
Mulyadi and Pawana Nur Indah | 602 – 613 |
| 61. | Social Acceptability of Ayta Magbukon Indigenous Food Plants (IFP'S) As Alternative Food Sources
Neil D. David | 614 – 624 |
| 62. | Study of Villages Market Development: for Generating Rural Economy in Ponorogo
Pawana Nur Indah and Indriya Radiyanto | 625 – 633 |
| 63. | Integrated Area Development Main Regional Commodities Based Vision of The Environment
Q. Dadang Ernawanto, B. Siswanto, M. Mashuri, M. Sugiyarto, and Noeriwan B.S. | 634 – 644 |
| 64. | Farmer Field School on Cocoa Integrated Pest Management: Stimulating Local Innovation for Sustainable Agriculture
R.R. Rukmowati Brotodjojo, Sri Wuryani, and Dwi Aulia Puspitaningrum | 645 – 653 |
| 65. | Achieving Food Security and Farmers' Welfare Through Agricultural Trade Reforms in Indonesia
Saktyanu K. Dermoredjo, Masyhuri, Dwidjono H. Darwanto, and Jangkung H. Mulyo | 654 – 662 |

- | | | |
|-----|--|-----------|
| 66. | Farmers' Knowledge and Willingness in Developing Organic Apple Farm (A Case in Poncokusumo Village, Malang District, East Java)
Setyo Parsudi | 663 – 673 |
| 67. | Subsidized Fertilizer for Sugar Cane in Perspective Economic and Sociological of Cases in Sidoarjo District
Sigit Dwi Nugroho | 674 – 682 |
| 68. | Contribution of the Indonesian Migrant Worker Remittances on Agriculture Development in their Home-Village (A Case Study in Dungmanten Village, Tulungagung, East Java)
Singgih Susilo | 683 – 691 |
| 69. | Create Local Food System through Food Consumption Diversity in Food Security Reinforcement
Siti Syamsiar | 692 – 701 |
| 70. | Consumers' Responses in Solo City toward Fruit Products from China after the Implementation of Asean China Free Trade Agreement of 2010
Sriyadi | 702 – 710 |
| 71. | Nicotiana Tobaccum: The Road Intersection
Subiyanto | 711 – 719 |
| 72. | Reliance Attitudes of Farmers in Choosing Hybrid and Non-hybrid Seeds in Corn Farming (Case Study in the District of Puri district, Mojokerto, East Java)
Sudiyarto and Budi Utomo | 720 – 732 |
| 73. | Food Security: between The Physical and Economic Approach
Sumartono | 733 – 744 |
| 74. | Farmers' Indigenous Practices: Need to Conserve and Communicate
Surya Rathore and B. Kumar | 745 – 752 |
| 75. | Model of Economic Strengthening in order to Reduce Subsidized Fertilizer Reliance on Sustainable Agriculture System
Teguh Soedarto, Indra Tjahaja Amir and Sigit Dwi Nugroho | 753 – 762 |
| 76. | Improving The Role of Rural Economic Business Institution in Stabilizing Price, Farmers Household Economy Security and Food Security in East Java
Zainal Abidin | 763 – 770 |

Sub Theme : Social and Economic Issues
Poster Presentation

- | | | |
|-----|--|-----------|
| 77. | Madurese Farmer Local Wisdom: Utilization of Rice Straw as Organic Matter Input in Rice Cultivation
Ida Ekawati, Isdiantoni, Zasli Purwanto | 771 – 777 |
| 78. | Institutional Development Potential Banana Seedling of Banana Sentra in Three District in East Java
PER. Prahardini, Amik Krismawati and Siti Fatimah | 778 – 789 |
| 79. | The Farm household food security In gunungkidul regency
Slamet Hartono and Any Suryantini | 790 – 799 |
| 80. | Nursery Stock Production and, Costomer Preferences for Some Mango Varieties in East Java, Indonesia
Titiek Purbiati, Arry Supriyanto and Pudji Santoso | 800 – 805 |
| 81. | Study of Citrus Import Through Observation Consumer Behaviour in Indonesia
Tutik Setyawati | 806 – 812 |
| 82. | Application and Development of Innovation of Technology and Institutional in Prima Tani Area of Sumenep District
Zainal Arifin, Nurul Istiqomah and Indriana, RD | 813 – 822 |

Sub Theme : Strategy and Food Security Policy
Oral Presentation

- | | | |
|-----|--|-----------|
| 81. | The Challenge and Prospect of Indonesian Agro-Food Performance
Arief Iswariyadi and Sri Nuryanti | 823 – 836 |
| 82. | Opportunity of Modified Cassava Flour (Mocaf) as Wheat Flour Substitute
an Alternative Materials to Support Food Security
Budiarto | 837 – 844 |
| 83. | Analysis of Stimulus Policies to Increase Competitiveness of Soybean
Commodities in East Java
Indra Tjahaja Amir | 845 – 856 |
| 84. | Analysis of Customer Satisfaction Unity in Self Marketing Business Wood
(KBM SAR WOOD) Region II Bojonegoro Unit II Perum Perhutani East Java
Prasetyo Hadi and Agus Heri Susanto | 857 – 866 |
| 85. | Poverty, Food Security, and Agribusiness Development: A Big Problem in
Indonesia
Syarif Imam Hidayat | 867 – 885 |
| 86. | The Implementation of Corporate Social Responsibility in Indonesia State-
Owned Plantation Company
Indrawati Yuhertiana | 886 – 895 |
| 87. | Impact of Imported Rice on Economic Welfare Producers, Consumers and
Government in Indonesia
Wahyu Santoso and Sri Widayanti | 896 – 908 |
| 88. | LIST OF PARTICIPANTS | 909 - 922 |
